

Arc90

Alternative to Finance

Turn *I can't afford it* to *I can!*

Instead of your customer's credit report being the basis for approval, their employment and recent spending history are.

ARC 90

Accounts Receivable Conversion 90 days+ is a short term payment plan developed for those who have the ability to pay but their credit scores reflect history inconsistent with their current status.

Plans range from 2 weeks to 6 months with amounts from a few hundred up to \$10,000 per purchase. Of the total sale amount, up to \$1500.00 is funded up front. The remainder is paid over the plan.

- No Credit Check
- Your customers can take up to 6 months to pay
- Service the customers that your competition can't
- Easy One Page Application

“Before using the ARC90 program we only had a credit finance option. 3 of 10 applicants were approved; the other seven couldn't afford the cost of the bill. Now I offer this no credit check financing to my retail and wholesale customers. Thank you.”

Carlos L. - West LA - Automotive Repair Shop

“We have used the ARC 90 program for 5 months and have generated 30% more sales, thank you.”
